

27th November 2015

Dear Parent,

St. Gabriel's Dance Club

We will be starting a Dance Club on Monday 11th January which will be open to all children, boys and girls. It will take place every Monday after school from 3:30 p.m. until 4:30 p.m. The children who attend the Dance Club will be working towards a final performance which will take place at an exciting festival of dance at King George's Hall at the beginning of March. This year's theme is 'Celebrations'. The event should finish around 9.15 p.m. as other schools also perform at the event.

If you would like your child to attend our Dance Club they must return the slip below by **Friday 4th December**. Unfortunately there can only be 30 children that attend the club (4 from each class) and so names will be fairly drawn from a hat. This will mean that there will be 2 boys and 2 girls from each class that can attend. You will be informed the following week as to whether your child has or has not obtained a place in the Dance Club.

We hope that your child would like to join!

Thank you.
