## **GUIDANCE ON PUBLICATION SCHEMES, CLASSES OF INFORMATION AND GUIDANCE TO INFORMATION**

In implementing the Freedom of Information Act 2000 Blackburn with Darwen Borough Council promotes an understanding of the work undertaken within the Council, to foster a spirit of trust with the public and other organisations. We achieve this by promoting transparency in the way we make our decisions and by providing clear information about our policies and processes through our publication scheme. We deal with individual requests for information courteously and promptly and provide advice and assistance if necessary.

### **WHAT IS FREEDOM OF INFORMATION?**

The Freedom of Information Act 2000 gives a general right of access to all types of recorded information held by public authorities. It lists exemptions from that right and places a number of obligations on public authorities.

The Act came into force in two stages: -

- The first stage was in February 2003 when Blackburn with Darwen Borough Council adopted a Publication Scheme.
- The second stage came into force in January 2005. Any person now making a request to a public authority for information must be informed whether the public authority holds that information and supplied with that information. This is subject to a number of exemptions listed in the Act.

### **WHAT IS A PUBLICATION SCHEME?**

A Publication Scheme is a guide to the classes of information that the Council publishes or intends to publish routinely. The term “published” is broad and is not limited to information produced in paper forms. As far as the Freedom of Information Act 2000 is concerned, information made publicly available has been published. Therefore, information on our website is as much part of the Publication Scheme as printed documents.

## **WHAT ARE CLASSES OF INFORMATION?**

A requirement of the Act is to specify “classes” of information that Blackburn with Darwen Borough Council will publish within its Publication Scheme.

The Information Commissioner has issued a ‘Model Publication Scheme’ and Blackburn with Darwen Borough Council has adopted the ‘Model Scheme’.

The Model Scheme contains 7 classes of information and these are as follows: -

- **Who we are and what we do**
- **What we spend and how we spend it**
- **What our priorities are and how we are doing**
- **How we make decisions**
- **Our policies and procedures**
- **Lists and registers**
- **The services we offer**

By adopting the Information Commissioner’s ‘Model Scheme’ the Council is committed to the following: -

- To proactively publish information (including environmental information which is held by it and contained within each class).
- To provide a means by which the Authority can ensure the public are aware of the sorts of the information the Council has committed to make readily available, how they can access and whether they will have to pay for it.
- To review and update the information on a regular basis and in accordance with The Association of Greater Manchester Authorities Publication Scheme Review Guidance.

## **HOW WILL I REQUEST ADDITIONAL INFORMATION NOT COVERED BY THIS SCHEME?**

Blackburn with Darwen Borough Council includes as much information in the Publication Scheme as it can however, if you cannot find what you are looking for you can make a request for the information.

The Act is retrospective and information requests can be for information created before the Act came fully in to force in 2005. However, where any of the information comes within an exempt category either under the Freedom of Information Act 2000 or other relevant legislation, it will be published with the exempt material deleted.

## **WILL I BE CHARGED FOR INFORMATION?**

Material which is published and accessed on the website can be downloaded free of charge. Some information may only be available in hard copy and some information will only be available for inspection. Charges may be made for information subject to a legal charging regime. Charges under the publication scheme may be made for actual disbursements such as: -

- Photocopying
- Printing
- Postage and packaging
- The cost directly incurred as a result of viewing information

Any charges will be in accordance with the Council's policy.

# Have your say on Information services

This leaflet outlines Blackburn with Darwen Borough Council's Freedom of Information feedback policy.

Blackburn with Darwen Council is committed to providing you with good and fair services. We want to listen, involve and respond to the needs of local people.

This leaflet outlines Blackburn with Darwen Borough Council's Freedom of Information feedback policy and sets out how the Council intends to do this by making use of your complaints, suggestions, comments and compliments.

### **Our aims**

We want to:

- Make it easy for people to contact the Council and give us their views
- Ensure that when contact is made issues are dealt with quickly and consistently
- Help create equality of access to the Council
- Improve the Council's Access to Information services.

### **Comments & Suggestions**

The Council also welcomes any comments or suggestions that you would like to make on our service. We encourage people to do this as it helps us to identify where services may need to be improved. Again, you can contact the service directly if you wish to do this or use the form attached to set out your comments & suggestions in writing.

## **Compliments**

We also want you to tell us if you think we have done something right. If you have received a particularly good service or you like the way that we deliver our information please tell us.

The attached form will allow you to give us feedback in writing if you choose to do this.

A full copy of the Customer Feedback Policy is available on the Council website. Alternatively, a full copy is available on request by contacting the Council.

## **Making a complaint**

If you aren't happy with a service that you have (or haven't) received from Information Governance then we want to know about it. You can make a complaint to the Council if:

- You think that it has done something in the wrong way
- Done something it should not have done
- Failed to do something it should have done.

Examples are unreasonable delay, poor treatment, or failure to follow proper procedures.

## **What shall I do if I am unhappy with a service?**

We will always try to deal with the problem as quickly as possible and to do this we would ask you to contact the Information Governance Department in the first instance. They may be able to put things right there and then or at least look into the issue and come back to you.

If you have tried this approach or don't feel that it is appropriate you can ask for your complaint to be investigated formally.

This involves your complaint being passed to a complaints co-ordinator for the department concerned. They will ensure that a full investigation takes place and the director of the service (or their representative) will give you a full response to your complaint. All complaints are treated in the strictest of confidence.

When making a complaint you should provide as much information as possible. You can use the form that is attached to the back of this leaflet to help set out what your complaint is and what you would like us to do about it. Alternatively you can contact the Council by telephone or send us a letter or an e-mail. You may also want to ask someone to contact us on your behalf, this could be a friend or a relative or another person that you would like to choose to represent you.

We aim to acknowledge any complaints we receive within 3 working days and you should receive a full response to your complaint within 15 working days. If the complaint takes longer to investigate we will keep you informed.

### **What If I am still unhappy?**

If after you have received your response you remain dissatisfied you can request that your complaint goes for review. A review may involve a meeting with the Chief Executive and a Councillor to help resolve the problem. Sometimes it won't be appropriate for a complaint to be considered again, for example if the decision has been made due to legal reasons. If this is the case we will contact you to let you know.

If your complaint progresses to an appeal stage then we should acknowledge your request within 3 working days and it should be carried out within 25 working days. Sometimes this may take longer if cases are complicated but we will keep you informed.

### **And if I still remain dissatisfied?**

Hopefully we will be able to resolve your problem quickly but if you remain dissatisfied you can go to the Information Commissioner who can carry out an independent investigation.

The address for the Commissioner is:

Information Commissioner
