Grammar**

**TUESDAY -
Study Skills**

**WEDNESDAY -
Maths**

**THURSDAY -
Maths**

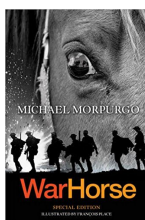

**FRIDAY -
Comprehension**

The Final Term!

ENGLISH During the first part of this term we will focus in the main on Reading Comprehension and Grammar, Punctuation and spelling. We will then be using our writing skills and the book we will be using for stimulus during the term is 'War Horse' by Michael Morpugo.

READING There is no doubt that readers find writing easier as they have a greater bank of ideas from the stories they have read. Reading also aids spelling as you see the words more often and are therefore more likely to spot mistakes

OTHER NEWS

This term we will cover other areas of the curriculum. There will be a focus on Design Technology linked to Control Technology as well as History,

in your own spelling. It also enriches your vocabulary as you learn new words and phrases, which paint vivid pictures in your mind. Please keep reading all the way through to secondary school and beyond - it will help you more than you will ever know!

SPELLING Using the Read, Write Inc. we will learn to follow a particular pattern. You will need to revise these patterns so to undertake a number of 'blind spelling tests during the first half of the Summer term.

MATHEMATICS Again in

Sex and Relationship Education and who could forget our school production.

TRANSITION

During this term you will be preparing for your big move to Secondary School. By now you know where you are going and who is going with you.

the first half of this term we will focus on our arithmetic and reasoning skills in preparation for the SATs. After this we will look at worded problems and how questions can involve knowledge and application techniques covering more than one topic. These applied skills will help with preparation for secondary school maths.

TIMES TABLES - I've been saying this all year... keep learning them and through the summer holidays! Every minute could be a mad minute!

The teachers for these schools will be keen to come and meet you and there will be an opportunity for you to have a 'taster day' at your new school.

SPECIAL DATES

SAT's week

Monday 14th May - Thursday 17th May (see timetable)

Y6 Production

Wednesday - 11th July

Thursday - 12th July

Y6 Leavers Service

Thursday - 19th July

9.15 - School Hall
