

I want to see your baby boy

I want to see your baby boy
But have no gift for you
So Mary if you'll pardon me
There's one thing I can do

*I'll sing a song, a special song
Written for a King
I bring a song, a special song
I bring a song to sing*

I've never heard of myrrh before
I don't know where it's found
I haven't any frankincense
There's not much gold around

*I'll sing a song, a special song
Written for a King
I bring a song, a special song
I bring a song to sing*

I have no words of good advice
To help him on his way
But there is one thing I can do
Upon this special day

*I'll sing a song, a special song
Written for a King
I bring a song, a special song
I bring a song to sing*
