Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

We will continue with Literacy and Language, studying narrative verse and Explanation texts.

We will be reading Grandpa Chatterji and a selection of classic fairy tales for our story time books.

In Maths...

We will continue with Inspire Maths investigating fractions and angles.

In Art ...We will be developing our sketching skills to create still life pieces which will be translated into 3D sculptures.

In Computing...We will be continuing our study of coding.

In PE...We will be developing our skills with invasion games.

In PSHE...We will continue to discuss healthy lifestyles and keeping safe.

In RE...We will be considering Jesus as a source of divine authority, and including a multi-faith connection with Judaism.

In Science ...We will be studying teeth and the digestive system, as well as sound.
