In English...

We will continue with Literacy and Language, studying playscripts and evaluating evidence.

We will be reading more fairy tales, as well as tales from other cultures, for our story time books.

In Maths...

We will continue with Inspire Maths, investigating both angles and decimals.

We will also be focusing on times tables.

In Computing...

We will be using spreadsheets.

In Design Technology...

We will be developing and evaluating products from prototypes.

In Geography ...

We will be looking at a contrasting European region, namely Catalonia (specifically Barcelona).

In Music...

We will be studying European composers, and responding to examples of their work.

In PE...

We will continue to develop our skills with invasion games.

In PSHE...

We will continue to discuss healthy relationships.

In RE...

We will be discussing the concepts of trust and betrayal through the Easter story.
