Study Skills**

**WEDNESDAY -
Maths**

**THURSDAY -
Maths**

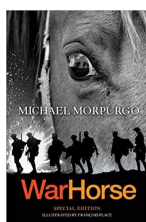

**FRIDAY -
Comprehension**

The Final Term!

ENGLISH Towards the end of this term, English will have a writing focus. We will also be completing a transition unit, designed in collaboration with local high school teachers. This will be based on 'The Glass of Lead & Gold' by Cornelia Funke. After reading the text, we will develop a piece of writing along the themes of the story, in preparation for the type of writing they will do in year 7.

READING There is no doubt that readers find writing easier as they have a greater bank of ideas from the stories they have read. Reading also aids spelling as

OTHER NEWS

This term we will cover other areas of the curriculum. There will be a focus on Design Technology linked to Control Technology as well as History, and who could forget our school production.

you see the words more often and are therefore more likely to spot mistakes in your own spelling. It also enriches your vocabulary as you learn new words and phrases, which paint vivid pictures in your mind. Please keep reading all the way through to secondary school and beyond - it will help you more than you will ever know!

SPELLING Using the Read, Write Inc. we will learn to follow a particular pattern. You will need to revise these patterns so to undertake a number of 'blind spelling tests during the first

TRANSITION

During this term you will be preparing for your big move to Secondary School. By now you know where you are going and who is going with you.

The teachers for these schools will be keen to come and meet you and there will be an opportunity for you to have a 'taster day' at your new school.

half of the Summer term.

MATHEMATICS Again in the first half of this term we will focus on our arithmetic and reasoning skills in preparation for the SATs. After this we will look at worded problems and how questions can involve knowledge and application techniques covering more than one topic. These applied skills will help with preparation for secondary school maths.

TIMES TABLES - I've been saying this all year... keep learning them and through the summer holidays!

SPECIAL DATES

SAT's week

Monday 13th May - Thursday
16th May (see timetable)

Y6 Production

Wed Afternoon - 10th July
