

YEAR 3 - SUMMER 1

What the Romans did for us

The Big Picture: We are exploring sources of evidence like historians and archeologists.

Seeking to nurture..

Self-belief CourAge Resilience AmbiTion Hope

Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

We will be writing mystery stories and non chronological reports.

We will complete reading
The Iron Woman by Ted Hughes

In Maths...

We will be studying angles, perpendicular/parallel lines and area. We will regularly be reviewing the key maths themes of addition, subtraction, multiplication and division.

In RE...

We will explore 'Rules for Living', in Christianity and other faiths.

In Computing...

We will further explore Purple Mash to use branching databases.

In PE...

We will be improving our throwing and catching skills and playing team games, including rounders.

In Art...

We will model Roman techniques to create pictures, such as mosaics

In Music...

We will explore percussion and djembe drums to create rhythm patterns.

In History...

We will be using enquiry based approaches to explore the big question 'What did the Romans do for us?'

"Stand firm... be courageous" 1 Cor 16:13
