Summer Term News

Hello and welcome back!

I hope you have all had a lovely Easter holiday and a relaxing break.

A very busy term is ahead building on the excellent progress Year 2 have already made.

How you can help your child learning this term

To ensure that the children become the best that they can be, please support them to do their home learning activities on Purple Mash. Listen to them read everyday at home, help them practise weekly spellings, continue to learn the times tables and recall number bonds.

Reading

Reading is the key to all learning and your child will read with us in school **every day** first thing in the morning. I am sure you are also keen to support your child learning to read with fluency, confidence and understanding too, so we ask that Year 2 children read their reading book/ library/ ebooks for **at least** 10 -15 minutes every day at home with an adult.

Home Learning

Activities

Each Friday your child will be set a Purple Mash, task related to the activities the children have been learning during the week.

This is to be handed in by the following **Wednesday**.

Knowledge Organiser

This half term the children will be set a knowledge organiser based on our exciting science topic – Living Things and their Habitats!

Spellings

The children will have a set of spellings to learn & practise at home every Monday via purple Mash.

The children will be tested on these words every Friday.
