

YEAR 3 - SUMMER 1

What the Romans did for us?!

The Big Picture: Exploring sources of evidence like historians and archeologists.

Seeking to nurture..

Self-belief CourAge Resilience AmbiTion Hope

Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

In reading comprehension we will read play scripts and biographies.

We will be writing instructions, poetry and non chronological reports.

Our Class Reader will be The Sheep Pig by Dick King

In Maths...

As well as continuing to improve our tables and mental maths skills we will be studying fractions and time. We will regularly be reviewing the key skills of addition, subtraction, multiplication and division.

In RE...

We will explore 'Rules for Living', in Christianity and other faiths.

In Computing...

We will further explore Purple Mash to use branching databases.

In PSHE...

We will explore 'Rules for Living' and 'Being Our Best'.

In PE...

We will be improving our throwing and catching skills and playing team games.

In Science...

We will study different types of rocks and fossils.

In History...

We will be using enquiry based approaches to explore the big question 'What the Romans did for us!'
