

YEAR 5 - SUMMER 1

Energy and Sustainability

The Big Picture: *How will we produce and use energy differently in the future?*

Seeking to nurture..

SelF-belief CourAge ResIlience AmbiTion Harmony

Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

In reading comprehension we will read from a range of biographies, poems and classic fiction. In writing composition we will create diaries, monologues, newspaper reports and biographies. In our grammar we will study phrases, clauses, paragraphs and cohesion. Our class reader will continue to be "Swallows and Amazons" by Arthur Ransome.

In Maths...

We will be following our White Rose regain maths curriculum, in order to make up for lost time during lockdown. We shall revise and develop our skills in decimals, properties of shape, position and direction.

In Geography...

We will be learning more about sustainability through case studies around the world.

In Science...

We will be examining life cycles in plants and animals.

In Computing...

We will be creating games and developing our 3D modelling skills.

In PE...

We will continue to develop our athletics and ball skills.

In PSHE...

We will continue to discuss keeping healthy and safe.

In RE...

We will be learning why Christians believe that Easter is a celebration of Victory.

"Stand firm... be courageous" 1 Cor 16:13
