Learning to Learn!

We will develop our abilities to:

*Explore
Play with what we know
'Have a go'*

*Be involved and
concentrate
Keep trying
Enjoy achieving*

*Have our own ideas
Make links
Choose ways to do things*

English...

We will consolidate the word reading skills that we have acquired.

We will work on speed word recognition and reading fluency.

We will talk about characters, settings and key events in familiar stories.

We will become capable, independent writers. We may even become authors ourselves!

Maths...

We will continue to explore numbers and learn what happens when we add more and take away.

We will explore doubling, sharing and groups and we will also learn about odd and even numbers.

We will continue to develop our spatial awareness; visualising and building with objects and using and interpreting maps.

Communication and Language...

We will retell and role play familiar stories, remembering key vocabulary.

Personal, Social and Emotional Development...

We will set and work towards our own goals.

Physical Development...

We will work as a team, developing and refining our ball skills.

Understanding the World...

We will learn about people, cultures and communities that are close to us. We will enjoy exploring the warmest season.

Expressive Arts and Design...

We will build and create with a purpose in mind. We will use trial and error to improve on our creations.

RE...

We will learn about places and times that are special to people in our community.

Role Play...

We will take on the role of different story characters and perform familiar stories. We will create and use our own props in role play.
