In English...

To develop our reading comprehension skills we will using: The Phantom Carwash, Infographics on Volcanoes and using 'Stig of the Dump' extracts as starting points to write character descriptions and dialogue.

In our grammar work we will revise using prefixes, prepositions and paragraphs.

In Maths...

We will continue to look at calculation in Multiplication and Division using formal methods and then applying these in one and two step problem solving contexts. We will also develop our maths skills in Money, and in Statistics we will learn how to read and create graphs. Knowledge and quick recall of times tables facts will be vital this half term.

In RE...

We will investigate the theme 'How did Jesus change the lives of the people he met?'

In Science...

We will explore light and shadows.

In History...

We will research and answer the question, 'Which was more impressive – the Bronze Age or the Iron Age?'

In Computing...

We will develop our knowledge of computer generated simulations.

In PSHE...

We will discuss how families are built and celebrated.

In PE...

We will develop sports and small sided games skills.

In Music...

We will learn skills of pulse and rhythm through percussion work.
