Learning to Learn!

We will continue to develop our abilities to:

Enquire

Think

Imagine

Create

Explore

Collaborate

Reflect

In English...

Reading comprehension will be based on The Story of Chocolate, water cycle and butterfly poetry and science fiction with our class reader. In writing we will be learning how to use paragraphs, similes, tenses and using word families to compose poems, descriptions and non-chronological reports.

In Maths...

This term are units on Statistics Length, Perimeter and Fractions. We will continue to calculate using formal methods applying the skills to problem solving contexts.

Knowledge and quick recall of multiplication and division tables facts will continue to be reinforced this half term.

In RE...

We will investigate the changing emotions through the Easter Story.

In Science...

We will explore the parts of plants, their function, how plants grow and reproduce?

In Computing...

We will be learning about databases.

In Geography...

We ask the geographical question—What is the world like?

In French...

We will explore 'All about me.'

In PSHE...

We will discuss the question 'What makes a community?'

In PE...

We will develop sports and small sided games skills.

In Music...

We will continue developing our skills of rhythm and composition.

"Stand firm... be courageous" 1 Cor 16:13
