## Learning to Learn!

We will continue to develop our abilities to:

*Enquire*

*Think*

*Imagine*

*Create*

*Explore*

*Collaborate*

*Reflect*

## In English...

Reading comprehension will be based on animal information texts and stories to link with our zoo visit and class reader. In writing we will learn how to use apostrophes for possession, using nouns, revising inverted commas, and composing non-chronological reports and comedy stories.

## In Maths...

This term the focus is on Fractions, equivalent Fractions and problem solving with Fractions. We will continue to establish the formal methods of calculation.

Knowledge and quick recall of multiplication and division tables facts will continue to be reinforced and is essential this half term.

## In RE...

We will investigate the ten commandments and Jesus's new commandments discovering why rules are needed in the world.

## In Science...

We will explore forces and magnetism.

## In History...

We ask what are our local landmarks and are they worth preserving?

## In Art...

We will be looking at the work of the artist LS Lowry

## In Computing...

We will be learning about databases and spreadsheets

## In PSHE...

We will discuss the question 'How we can help in an emergency?'

## In PE...

We will be developing our striking and fielding skills.
