Learning to Learn!

We will develop our abilities to:

*Explore
Play with what we know
'Have a go'*

*Be involved and
concentrate
Keep trying
Enjoy achieving*

*Have our own ideas
Make links
Choose ways to do things*

English...

We will recap all taught sounds and continue to work on positioning them correctly on a line.

We will continue to become more fluent, accurate and confident readers. We will explore the features of fiction and non-fiction texts.

There will be a huge focus on our independent writing. We will compose our own sentences using our phonic knowledge to write words. We will use finger spaces, full stops, red words and begin to use capital letters.

Maths...

We will continue to explore the composition of numbers to 10.

We will become familiar with counting patterns beyond 10 and we will build teen numbers.

We will compare numbers and learn what happens when we add more and take away.

We will develop our spatial awareness, matching, rotating, manipulating, composing and decomposing shapes.

RE...

We will learn about stories of friendships from the past. We will learn about and compare special places.

Communication and Language...

We will explore past, present and future tenses and use lots of new vocabulary.

Personal, Social and Emotional Development...

We will take on new challenges and show resilience when doing so.

Physical Development...

We will continue to explore different ways of moving and build skills in manipulating different objects. We will develop our cutting and painting skills.

Understanding the World...

We will learn about the changing seasons. We will experience the life cycle of a caterpillar. We will explore plants and watch them grow and change.

Expressive Arts and Design...

We will explore colour and learn about how we change them. We will learn to draw with precision and detail.

Music...

We will continue to talk about music, learn songs and actions and perform.
