

Curriculum Evening

...essential for all parents!

Thursday 17th March

6.00 - 8.00 pm

St Gabriel's School Hall

An unmissable opportunity for you to learn about:

MATHEMATICS

Revised approaches to teaching Maths across school

Led by Anthony Reddy: maths specialist & staff trainer

E-SAFETY

Issues regarding children's safe use of technology

Led by Katie John: IT specialist & staff trainer

NATIONAL ASSESSMENT

Assessing children at 'age related expectation' measures

Essential information on how we are required to assess your children now that levels are no longer recognised

Time to **ask questions**, participate in **workshops** and **speak to staff**.

Please make every effort to join us, these are topics of huge importance!

Please return this reply slip to help us estimate numbers

Child/Children's Name/s: _____
