

St Gabriel's Spirituality Week

April 2017

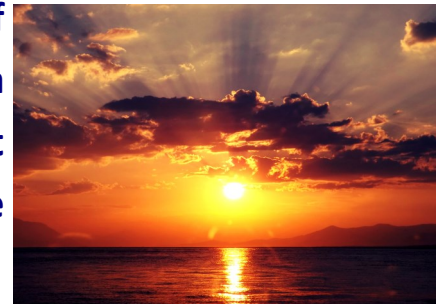

There are no seven wonders of the world in the eyes of a child...
there are seven million!

Awe and Wonder

According to the Oxford English Dictionary, 'spirituality' is about experiences which affect the human spirit or soul. We all have those moments of awe and wonder... a beautiful sunset or a night sky full of

stars! It could be that we are moved by a painting, a piece of music or an expression of tenderness. It could also be a deep stirring in our spirit in response to worship or prayer...

Next week your child will be off timetable! On Monday and Tuesday we are drawing the whole family of St Gabriel's together...all classes will be divided in-

to groups of twenty, combining children from every year group in school. They will then share in a wide range of different experiences and be taught by all teachers across school. Activities will include: music, artwork, nature, sculpture, yoga and moments of quiet reflection...

As a church school, there will also be a focus on the importance of Easter. We will be celebrating our responses and experiences altogether on Friday afternoon. It promises to be a truly fabulous week, full of fun and wonder with opportunities to share friendships and deepen relationships across school.
