

Year 2

Reminders

Topics

If you would like to find out more about the topics your child will be learning this term please take a look on the school website.

PE Kit

PE this term will take place on **Friday** with Simon Williams focusing on fundamental PE skills.

Reading for Pleasure

Reading & library books will continue to be sent home every **Friday**. Please return them back to school in the clear bags the following **Thursday**.

Water bottles

Please send your child into school with a named water bottle with a sports cap lid. They have regular opportunities to have a drink during the day and especially as the weather gets warmer.

As always, if you have any concerns or would like to discuss anything further, please do not hesitate to get in touch. Thank you for your continued support.

Mrs Cross

Summer Term News

Hello and welcome back!

I hope you have all had a lovely Easter holiday and a relaxing break.

A very busy term is ahead building on the excellent progress Year 2 have already made.

SATs tests & attendance

All the children in Year 2 will complete the statutory tests during May. Please ensure your child is at school on time. Attendance is important at all times, but especially during the tests.

How you can help your child learning this term

To ensure that the children become the best that they can be, please support them when they do their homework. Listen to them read and discuss the characters, story events and have ago at answering the questions in the back of the texts; find new vocabulary, discuss its meaning and help them learn their spellings.

Reading

Reading is the key to all learning and your child will read with us in school **every day** first thing in the morning. I am sure you are also keen to support your child learning to read with fluency, confidence and understanding too, so we ask that Year 2 children read their reading book/library for **at least 15-20** minutes every day at home with an adult.

Knowledge Organisers

The Knowledge Organisers in Maths, Science, History, Geography & Music this term are filled with essential knowledge and vocabulary for you to discuss with your child at home.

And don't forget to have a look at the useful web links and recommended reads.

Homework

English and Maths activities will be sent home on Friday along with the weekly spellings, a library and reading book.

The children will have a spelling test on Friday.
