

YEAR 1 - SUMMER 1

Reading Focus - Our class author this half term is Allan Ahlberg, including his stories and poetry! 'Our Recommended Good Reads' this term are linked to our Science and History topics! Details of each book are listed on our Knowledge organisers. In RWINc we will continue to read lots of books in line with our growing phonic knowledge.

Seeking to nurture..

Self-belief CourAge Resilience AmbiTion Harmony

Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

Our reading and writing activities will be based upon our RWINc books. In our daily spellings we will be accurately applying different spellings for the same sound. This half term's grammar and punctuation focus' are: *prefixes, suffixes, conjunctions, different types of sentences & punctuation.*

In Maths...

We will continue to improve mental arithmetic skills especially speedily recalling number bonds to 20; counting on and back in 1s, 2s, 5s & 10s. We will use White Rose Maths resources to teach... mass, multiplication, division, fractions, position and direction.

In RE...

We will be finding out what was special about Jesus and his miracles.

In Science...

We will be investigating materials, identifying and describing everyday materials and exploring simple properties.

In History...

We will be finding out some of the greatest inventions in transport.

In Computing...

We will be exploring coding.

In Art & Design...

We will be creating art and sculptures using natural materials inspired by the artist Andy Goldsworthy.

In PE...

We will be improving our athletics and tennis skills.

In PSHE...

We will be investigating people who keep us safe.

"Stand firm... be courageous" 1 Cor 16:13
