

YEAR 2 - SUMMER 1

Reading Focus: This half term we will be reading a collection of books by Steve Anthony. Our recommended reads will be linked to our Science and History topics which can be found on the knowledge organisers.

Seeking to nurture..

SelF-belief CourAge ResIlience AmbiTion Harmony

Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

In our writing compositions we will identify a purpose and audience for writing; plan and write poems, short stories and nonfiction text. In Grammar, we will learn about suffixes, conjunctions, adverbs and apostrophes. In our spelling we will focus on the suffix -ness and words ending in -le & -le.

In Maths...

In maths we will focus on our mental and arithmetic skills. We will also follow the White Rose Maths curriculum which will revisit and embed prior learning as well introducing new concepts of fractions, and time.

In RE...

We will discover why the church is a special place for Christians.

In Science

We will be investigating how seeds and bulbs grow into different plants.

In History...

We will be finding out about significant queens in England's history.

In Art...

We will be exploring and creating animal art.

In Computing...

We will be focusing on effecting searching and presentation ideas.

In PE...

We will be developing our fundamental skills.

In PSHE...

We will learn about what helps us grow and stay healthy.

"Stand firm... be courageous" 1 Cor 16:13
