Learning to Learn!

We will continue to develop our abilities to:

*Enquire
Think
Imagine
Create
Explore
Collaborate
Reflect*

In English...

We will develop our understanding of different genres of writing: Newspaper, Diary entry/Narrative and Biographical texts.

Our grammar focus is on cohesive devices as well as paragraphing and our spelling focus is on recapping the words in the Y5/6 Statutory Spelling list.

In Maths...

We will continue with White Rose Maths Units on Perimeter and Area, Shape, Position and Direction, and Decimals as well as continuing to develop our mathematical reasoning and fluency.

The children will continue to recap their number and arithmetic skills on a daily basis.

In RE...

We will be exploring the role of significant women in The Bible.

In Science...

We will be finding out about how change as we grow old, including reproduction.

In History...

We will be finding out about historical journeys.

In Computing...

We will be exploring 3-D modelling and creating our own Games.

In Music...

We will be working with the Bolton Music Service

In PE...

We will be improving our tennis and athletics skills.

In PSHE...

We will look at how drugs can be harmful and helpful.

"Stand firm... be courageous" 1 Cor 16:13
