

Year 2

Reminders

Topics

If you would like to find out more about the topics your child will be learning this term please take a look on the school website.

PE Kit

PE this term will take place on **Friday** with focusing on athletic and cricket skills.

Reading for Pleasure

Reading & library books will continue to be sent home every **Friday**. Please return them back to school in the clear bags the following **Thursday**.

Water bottles

Please send your child into school with a named water bottle with a sports cap lid. The children will have regular opportunities to have a drink during the day and especially as the weather gets warmer.

As always, if you have any concerns or would like to discuss anything further, please do not hesitate to get in touch. Thank you for your continued support.

Mrs Cross

Summer Term News

Hello and welcome back!

I hope you have all had a lovely Easter holiday and a relaxing break.

A very busy term is ahead building on the excellent progress Year 2 have already made.

Assessments & attendance

All the children in Year 2 will complete the KS1 Assessments during the last two weeks in May. Please ensure your child is at school on time. Attendance is important at all times, but especially during the tests.

How you can help your child learning this term

To ensure that the children become the best that they can be, you can support them by listening to them read; discuss the characters, story events and have ago at answering the questions in the back of the texts; find new vocabulary, discuss its meaning and help them to learn their weekly spellings.

Reading

Reading is the key to all learning and your child will read with us in school **every day** first thing in the morning. I am sure you are also keen to support your child learning to read with fluency, confidence and understanding too, so we ask that Year 2 children read their reading book/library for **at least 15-20 minutes every day** at home with an adult.

Knowledge Organisers

The Knowledge Organisers this term cover the key questions we will be exploring to answer the various topics 'Big Questions'. You will also find 'Specific' and 'Topic' vocabulary; recommended books to read and short video clips linked to the topics that you might also find of interest.

Homework

Many parents wish to support their child's learning at home. I will be setting an English and Maths activity mat each week. This challenge is to complement the learning which has taken place in class. Should you wish to support your child's learning at home then please ensure this is completed and handed back in the following **Thursday**.
