

RECEPTION - SUMMER 2

On the Move

Reading focus: This term we will explore fiction and non-fiction texts that will support our learning about seasons, our world, transport and light. I have added some recommended reads for you to explore with your child to our knowledge organiser.

Develop strategies

English...

We will consolidate the word reading skills that we have acquired this year.

We will work on speed word recognition and reading fluency.

We will continue to explore both fiction and non-fiction texts and learn about the features of them.

We will become authors and publish our own stories too!

Maths...

We will consolidate the key mathematical skills that we have acquired this year; subitising, counting, composition, sorting and matching, comparing and ordering.

We will explore what happens when we add more and take away.

We will explore doubling, sharing and grouping and we will also learn about odd and even numbers.

We will continue to develop our spatial awareness; visualising and building with objects and using and interpreting maps.

Communication and Language...

We will create our own stories.

Personal, Social and Emotional Development...

We will engage in new challenges, show perseverance and set our own challenges.

Physical Development...

We will carry on exploring different ways of moving and building skills in manipulating objects. Developing our cutting, drawing and painting skills will continue to be a focus.

Understanding the World...

We will continue to explore the changing seasons. We will learn about our world, transport, light and significant people like Neil Armstrong.

Expressive Arts and Design...

We will create and perform our own stories and design and make props for them.

We will explore mixing and changing colours.

RE...

We will learn about and compare special places and special times.
